ABOUT CORGANICS

Corganics is a physician-advised Clinical CBD™ Company with the highest quality standards, offering THC-Free hemp-derived CBD that is rigorously third party tested and available through healthcare providers only.

Disclaimer: These statements have not been evaluated by the FDA. These products are not intended to diagnose, treat, cure or prevent any disease. Corganics Clinical CBD products are generally safe and well tolerated as well as safe to take with other prescribed medications. Ask your doctor if you have any questions about a specific medication you are taking.
